## Undergraduate Fees and Refunds

---

The following fees are effective for students registering with a start date of September 1, 2017 to August 31, 2018.

### 7.1.1 Fee Summary

---

Student fees are all-inclusive and are calculated by combining the tuition fees, learning resources fee, and mandatory Students' Union and Alumni Relations fees. Academic-related fees are exempt from the federal Goods and Services Tax (G.S.T.). Other goods are not G.S.T. exempt. Fees are listed and payable in Canadian dollars.

The payment of student fees entitles you to receive most learning resources and other support services (including tutorial assistance where provided) for the period of active registration.

Students attending Athabasca University grouped study courses at collaborating institutions may be assessed tuition and fees that vary from those established within this Calendar. Those students should contact an academic advisor or the Office of the Registrar at the collaborating institution.

<b>Students Outside Canada</b>	Students are responsible for any expenses incurred when writing an examination. Most invigilators request a fee to invigilate examinations. Invigilation centers may also charge a fee if you cancel or reschedule your examination.
<b>Estimated Undergraduate Program Fees</b>	
<b>Challenge for Credit</b>	AU does not charge a fee to invigilate examinations at any of its three office locations in Athabasca, Edmonton, or Calgary, Alberta.
<b>Academic-Related Fees</b>	

## Effective Dates

<b>Students Union/Alumni Relations Fees</b>	The following fee schedule applies to students who are registering in courses that have a September 1, 2017 or later start date, unless otherwise stated. It is Athabasca University's intention to increase its tuition fees in future years by the maximum amount permitted under the Government of Alberta's Tuition Fee Policy.

### 7.1.1.2 General Application Form/Fee (New Students)

---

When first seeking admission to Athabasca University, all students submit a \$115 one-time, non-refundable application fee with their completed Undergraduate General Application Form.

The application fee is non-refundable and payable only once regardless of whether your requested start date is unavailable or if you choose not to register in an Athabasca University course.

The Undergraduate General Application Form, used to apply for admission, is separate from the Undergraduate Course Registration Form used for registering in most Athabasca University courses.

### 7.1.1.4 One-Credit Courses

---

The learning resources fee and Alumni Relations fee do not apply to one-credit courses.

### 7.1.1.5 Zero-Credit Courses

---

Athabasca University offers a number of zero-credit courses (e.g., ENGL 140, ENGL 143). Zero-credit courses are assessed the same fee structure as three-credit courses minus the Students' Union Fees and

Alumni Fees. Other academic-related fees and regulations also apply to zero-credit courses.

### 7.1.1.6 Re-Registration Fees

---

Re-registration fees include the tuition fee, Students' Union and Alumni Relations fees only. If the course has been revised since your last registration, you are required to purchase new learning resources. In this case, the learning resources fee is added to your re-registration amount.

### 7.2.1 Refunds: Individualized Study Course Tuition

---

A refund of tuition, less a course withdrawal processing fee, may be granted if you formally withdraw from an individualized study course either before or within 30 days after the course contract start date provided the course final exam (or after all coursework has been submitted for marking, if there is no final exam) is deemed not to have been written and you are not involved in a disciplinary proceeding involving either academic or non-academic misconduct.

See [Fees](#)

The [Undergraduate Course Withdrawal and Refund Policy – Individualized Study](#) states the conditions for a refund of tuition, less a withdrawal processing fee. Complete and submit the [Course Withdrawal Request Form \(Individualized Study\)](#): in person, by fax, by mail, online through the [myAU portal](#), or email. The date of withdrawal will be the postmark on the envelope, the date of the online submission, the date of the email if the form is scanned and [emailed](#), or the University date stamp if the form is hand-

<b>Grouped Study Course Tuition</b>	delivered or faxed (780.675.6174). No tuition refunds are issued if you withdraw more than 30 days after your course contract start date.
<b>Credit Balances</b>	Tuition refunds are processed within approximately 45 days of Athabasca University's receipt of the course withdrawal request. Your refund will be processed according to your method of payment, e.g., your credit card account will be credited, a cheque will be forwarded to your current mailing address, etc.

Site Map	<b>7.2.1.1 Learning Resources Fee Refunds (Individualized Study)</b>
Search Undergraduate Calendar	Learning resources are items such as texts, student manuals, study guides, reading files and/or other instructional materials such as software and access to online resources. The learning resources fee contributes to the development and procurement for any online resources which may be part of the course (some courses may be entirely online). This fee also covers packaging, shipping, and handling of learning resource materials. You may be required to purchase additional items to complement the course such as binders, calculators, home lab materials, etc., and these are your responsibility.
	A refund of the learning resources fee will only be considered if you meet the course refund criteria and the University receives

the learning resources complete, unmarked, and undamaged within 30 days of your course withdrawal date. You will not receive a refund for learning resources received by the University outside this time frame (late return).

Note: All returned learning resources become the property of the University and will not be returned to you. Most AU courses include software, and/or software access codes. **If the packaging around the software or the software access code has been opened you will not be eligible for a refund of the learning resources fee. Once opened, the software cannot be re-issued and the material should not be returned.**

To obtain a learning resource refund, complete and submit the [Course Withdrawal Request Form \(Individualized Study\)](#), along with the learning resources eligible to be issued to another student (e.g. returned complete and unmarked, including any unopened software packaging) to:

Athabasca University  
Materials Management  
Tim Byrne Centre  
4001 Highway 2 South  
Athabasca, AB, Canada T9S 1A4  
Fax no: 780-675.6174

Include your full name, address, and student identification number with any returned learning resources. Your learning resources refund will be processed according to your initial method of payment, e.g., your credit card account will be credited, a cheque will be forwarded to your current mailing address, etc. You are required to pay the postage on any returned materials.

## **eTextbooks**

If the learning resources for the course are only eTexts, the student does not need to do anything further than submitting their withdrawal request. The refund will be automatic if the withdrawal is received within the 30-day withdrawal period.

### 7.5 Form T2202A (Tuition and Education Tax Credit)

---

In Canada, you may be able to reduce income tax payable by claiming tax credits for enrolment in and payment of tuition and academic fees for Athabasca University's credit courses. Each February, the official Tuition, Education, and Textbook Amounts Certificate (form T2202A) will be available to all eligible students in printable format on Athabasca University's website at [myAU](#) portal.

To be eligible for the tax credit, the total of such fees paid to an educational institution in Canada for the year must exceed \$100. Fees paid to the Students' Union and Alumni Relations are not eligible for inclusion in the tuition tax credit.

The calendar year for which the fees are paid, not the date on which the fees are paid, is used to calculate eligible tuition fees. Tuition fees paid for courses that extend beyond the calendar year-end will be pro-rated on the T2202A according to the period of course delivery pertaining to each calendar year. For example, if a course has an October 1 start date and a

You may be eligible for the Tuition, Education, and Textbook Amounts Certificate tax credit for each month of part-time or full-time registration. For income tax purposes, a full-time student is defined as a person actively registered in a minimum of two credits per month.

Only the initial contract period is taken into consideration in the calculation of student status as reported on your Tuition, Education, and Textbook Amounts Certificate (Form T2202A). Extensions are not considered in this calculation.

The Tuition, Education, and Textbook Amounts Certificate reflects the number of months of enrolment that are eligible to be considered as part time or full time. Further details concerning the Tuition, Education, and Textbook Amounts Certificate may be found in [Canada Customs and Revenue Agency's \(CCRA\) Personal Income Tax Guide](#) or by contacting a CCRA district taxation office.
