Academic-related fees are exempt from the federal Goods and Services Tax (G.S.T.). Other goods are not G.S.T. exempt. Fees are listed and payable in Canadian dollars.

The payment of student fees entitles you to receive most learning resources and other support services (including tutorial assistance where provided) for the period of active registration.

7.2.1.1 Learning Resources Fee Refunds (Individualized Study)

Learning resources are items such as texts, student manuals, study guides, reading files and/or other instructional materials such as software and access to online resources. The learning resources fee contributes to the development and procurement for any online resources which may be part of the course (some courses may be entirely online). This fee also covers packaging, shipping, and handling of learning resource materials. You may be required to purchase additional items to complement the course such as binders, calculators, home lab materials, etc., and these are your responsibility.

A refund of the learning resources fee will only be considered if you meet the course refund criteria and the University receives the learning resources complete, unmarked, and undamaged within 30 days of your course withdrawal date. You will not receive a refund for learning resources received by the University outside this time frame (late return).

Note: All returned learning resources become the property of the University and will not be returned to you. Most AU courses include software, and/or software access codes. **If the packaging around the software or the software access code has been opened you will not be eligible for a refund of the learning resources fee. Once opened, the software cannot be re-issued and the material should not be returned.**

To obtain a learning resource refund, complete and submit the Course Withdrawal Request Form (Individualized Study), along with the learning resources eligible to be issued to another student (e.g. returned complete and unmarked, including any unopened software packaging) to:

Athabasca University
Materials Management
Tim Byrne Centre
4001 Highway 2 South
Athabasca, AB, Canada T9S 1A4
Fax no: 780-675.6174

Include your full name, address, and student identification number with any returned learning resources. Your learning resources refund will be processed according to your initial method of payment, e.g., your credit card account will be credited, a cheque will be forwarded to your current mailing address, etc. You are required to pay the postage on any returned materials.

eTextbooks

If the learning resources for the course are only eTexts, the student does not need to do anything further than submitting their withdrawal request. The refund will be automatic if the withdrawal is received within the 30-day withdrawal period.

Information effective Sept. 1, 2019 to Aug. 31, 2020.

7.5 Form T2202A (Tuition and Education Tax Credit)

In Canada, you may be able to reduce income tax payable by claiming tax credits for enrolment in and payment of tuition and academic fees for Athabasca University's credit courses. At the end of February, the official Tuition, Education, and Textbook Amounts Certificate (form T2202A) will be available to all eligible students in printable format on Athabasca University's website at [myAU](#) portal.

To be eligible for the tax credit, the total of such fees paid to an educational institution in Canada for the year must exceed \$100. Fees paid to the Students' Union and Alumni Relations are not eligible for inclusion in the tuition tax credit.

The calendar year for which the fees are paid, not the date on which the fees are paid, is used to calculate eligible tuition fees. Tuition fees paid for courses that extend beyond the calendar year-end will be pro-rated on the T2202A according to

Receipts	the period of course delivery pertaining to each calendar year. For example, if a course has an October 1 start date and a March 31 contract end date, only 50 per cent of the tuition fee representing the October through December period will be reflected in the current year tax credit certificate. The remaining 50 per cent, representing January through March, will be reflected on the following year's T2202A.

Glossary	You may be eligible for the Tuition, Education, and Textbook Amounts Certificate tax credit for each month of part-time or full-time registration. For income tax purposes, a full-time student is defined as a person actively registered in a minimum of two credits per month.

Only the initial contract period is taken into consideration in the calculation of student status as reported on your Tuition, Education, and Textbook Amounts Certificate (Form T2202A). Extensions are not considered in this calculation.

The Tuition, Education, and Textbook Amounts Certificate reflects the number of months of enrolment that are eligible to be considered as part time or full time. Further details concerning the Tuition, Education, and Textbook Amounts Certificate may be found in [Canada Customs and Revenue Agency's \(CCRA\) Personal Income Tax Guide](#) or by contacting a CCRA district taxation office.
