

**Research Assistant Opportunity
Casual Position**

Genomics Equity through Indigenous Engagement and Nursing Education

Position start date: September 21st 2026

Overview:

Specific activities include, but are not limited to:

Transcription
Minute taking

The primary job duties for the field research assistant (Insert RA-Category) will include ...

The successful candidate will work with, and directly report to, Dr. Lana Ray at Athabasca University. Dr. Ray will provide adequate training for the transcription that will be required.

Qualifications:

Must be First Nation Student
Able to commit 10 hours a week

The position is virtually based in Alberta.

How to apply:

Qualified individuals are encouraged to submit their application by email to Dr. Lana Ray at lray@athabascau.ca. Applications should include (as a single PDF file) a brief cover letter that summarizes your skills, interests and experience; a current resume or curriculum vitae; an unofficial copy of your transcript; and the contact information for 1-2 references.

Evaluation of applications will begin immediately and will continue until a suitable candidate is found. All applicants are thanked for their interest in this position; however, only candidates selected for an interview will be contacted.

Athabasca University and the researchers are committed and seek to support equity in employment and research opportunities. We strongly encourage applications from Indigenous people, people of colour, people

with disabilities, 2SLGBTQ+ people, women, and other historically marginalized groups. Applicants are welcome, but not required, to self-identify in their letter of application.

For more information on this Research Assistant Opportunity, please contact Dr. Lana Ray, PhD at the email below. Applications will be accepted until (10/09/2026) or until a suitable candidate is found.
