Overview

This three-credit, university-level course is designed to provide a multicultural and multidisciplinary perspective on health and healing. The course gives students the opportunity to apply some conceptual tools of medical anthropology to examine the health status of First Nations people and other ethnic groups in Canada, while considering the role of medical pluralism in a culturally diverse nation state.

Outline

Part 1: Medical Ecology, Adaptation, and Epidemiology

- Unit 1: Medical Ecology
- Unit 2: Epidemiology, Nutrition, and Reproduction in Cross-cultural Perspective
- Unit 3: Stress, Health and Healing

Part 2: The Practice of Healing and Health Care.

- Unit 4: Paradigms and Therapies
- Unit 5: Health Care in a Culturally Diverse Society
- Unit 6: Cultural Considerations of Health, Illness, and Healing
- Unit 7: Political Ecology: Global and Local Interactions

Part 3: Canada's First Nations Peoples.

- Unit 8: Early History and Current Health Status of Aboriginals

- Unit 9: Aboriginal Medicine in the Contemporary Context

Evaluation

To **receive credit** [↗](#) for HADM 326, you must achieve a course composite grade of at least **D (50 percent)** [📄](#) and a grade of at least 50 percent on the Final Examination. The weighting of the composite grade is as follows:

Activity	Weight
Assignment 1	15%
Assignment 2	15%
Assignment 3: Term Paper	30%
Final Exam	40%
Total	100%

The **final examination** for this course must be taken online with an AU-approved exam invigilator at an approved invigilation centre. It is your responsibility to ensure your chosen invigilation centre can accommodate online exams. For a list of invigilators who can accommodate online exams, visit the **Exam Invigilation Network** [↗](#).

To learn more about assignments and examinations, please refer to Athabasca University's **online Calendar** [↗](#).

Most of the other course materials can be accessed online. Several video components will need to be borrowed from the AU Library.

Challenge for credit

Overview

The challenge for credit process allows you to demonstrate that you have acquired a command of the general subject matter, knowledge, intellectual and/or other skills that would normally be found in a university-level course.

Full information about **challenge for credit**  can be found in the Undergraduate Calendar.

Evaluation

To **receive credit**  for the HADM 326 challenge completion, you must achieve a grade of at least **C- (60 percent)**  on the examination.

Activity	Weight
Examination	100%
Total	100%
